

SBK Holding is the new owner of Borajet Airlines- the first and only Regional Airline of Turkish Civil Aviation Industry and the Region.

SBK Holding became the sole owner of Borajet Airlines and all affiliates upon acquisition of all company shares held by Dr. Yalcin Ayasli who is the founder of Borajet Airlines.

Sezgin Baran Korkmaz, Chairman SBK Holding, joined Borajet Family as Chairman as of 30 December 2016.

SBK Holding has made a well-deserved reputation with successful investments made in Turkey and abroad in the lead of the founder Sezgin Baran Korkmaz, its pioneering entrepreneurship aspects and dynamic vision aiming to achieve leading position for each of the subsidiaries from different sectors. Each subsidiary of SBK Holding is either a leader or one of the top actors in its respective discipline.

(www.sbkholding.com.tr)

Borajet Airlines provides services in Turkey and 80 different destinations abroad as the first and only regional airline of Turkey.

Consisting of **EMBRAER E-190 and E-195 type** featuring state-of-the-art technology, offering the highest level of safety and comfort, thus being used safely by 65 airlines in 45 countries from Americas to Europe, the fleet of Borajet Airlines is constantly growing with the addition of new aircraft. Borajet Technique, a function of Borajet Airlines providing services with its professional staff including aerospace engineers and mechanical engineers, carries out line and aerodrome checks of ATR42 and ATR 72, Bombardier Global Express XRS, Embraer E190 and E195 Jet aircraft under the umbrella of Borajet Airlines.

Borajet Airlines maintains its sustainable growth and proves that it is the “**Top Quality Airline of Turkey**” with high “guest” satisfaction and increasing number of passengers. (www.borajet.com.tr)
